an apprenticeship program for the purpose of upgrading his/her classification.

Sec 8. (a) The election of officers shall be conducted by mail ballot. The Executive Board shall decide the date for the mailing of the ballots, the last day on which ballots for the election will be received, the date, time and place the ballots will be counted, and similar information in the event a run-off election is necessary. This information shall be included in the notice of the nominations meeting and in the ballot package sent to the members.

(b) The Executive Board may appoint an individual to perform certain tasks, including but not limited to procuring restricted access post office boxes, mail permits, or an outside impartial balloting company, prior to the nominations meeting. All disbursements related to these tasks shall be processed in accordance with the IBEW Constitution and these bylaws. The ballots shall not contain any number or other marks identifying the voter. If the Local Union retains an impartial outside balloting company to assist and/or conduct the mail ballot election, the Election Judge may, with the approval of the Local Union, authorize the outside balloting company to perform

the tasks of printing, mailing, receiving, tabulating and/or counting the ballots.

(e) Any candidate for office, or an IBEW member designated by the candidate as an observer, may be present at the preparation and mailing of ballot packages, the ballot pickup and the counting of the ballots.

(f) The Financial Secretary shall furnish the Election Judge, not less than ten (10) days before the date for the mailing of the ballots, an alphabetical list of the names and addresses of all members eligible to vote. All members in good standing and qualified shall be entitled to vote.

(m) The Election Board shall count the ballots or have an outside impartial balloting company count the ballots in the presence of the Election Board. The Election Board shall remove or cause the removal of the smaller envelope marked OFFICIAL BALLOT from the larger envelope. The OFFICIAL BALLOT envelopes shall then be mixed together to preserve ballot secrecy. The ballots shall then be removed from the OFFICIAL BALLOT envelopes and tabulated. If the challenged ballots are not determinative, the

Election Judge shall certify the results in writing to the Executive Board immediately after the ballots have been counted. If the challenged ballots are determinative, the Election Judge shall, as soon as possible but no later than five (5) days from the counting of the ballots, investigate and rule upon the challenges. All challenged ballots determined to be eligible shall then be counted, and the Election Judge shall certify the results in writing to the Executive Board.

(n) All election records including envelopes and ballots shall be preserved for one (1) year from the date of election, after which they shall be destroyed unless a question has arisen in connection with the election.

(o) The Election Judge shall have the authority to establish additional procedures and safeguards not inconsistent with the above rules and in conformance with the conduct of a fair election and applicable law. The Election Judge shall also have full authority to make rulings and decisions concerning disputes, controversies or unexpected occurrences that might arise in order to assure a fair

ARTICLE XIV General Laws

Sec. 1. The Executive Board shall act as the Trial Board to hear charges and try members (except officers or representatives of a Local Union, Railroad Council, or System Council) for violation of the IBEW Constitution, these bylaws, or an approved working agreement. All charges against a member must be in writing and signed, specifying the provision(s) of the Constitution, bylaws, or working agreement allegedly violated. A brief factual written statement of the act(s) considered to be in violation, including relevant dates, places and names, should be given by the charging party. A copy of the charges must be furnished to the accused by the Recording Secretary with notice of when to appear before the Trial Board.

Sec. 2. A charged member may, upon request, have an IBEW member in good standing as Counsel. However, no lawyer, as such may serve as Counsel in a hearing of the Trial Board. No person not a member of the IBEW may be present at such hearing, except as a witness.

If the accused fails to appear after having been notified in writing to appear, the Trial Board shall hear and determine the case just as though the accused were present. When a member files charges against another member and fails to appear before the Trial Board to prosecute the case, unless reasonable excuse is given, he/she shall be subject to discipline by the Trial Board.

Sec. 3. A majority vote of the Trial Board shall be sufficient for a decision, which is to be in writing. The Trial Board report of its findings and sentence, if any, shall be reported to the next regular meeting of the Local Union. The action of the Trial Board shall be considered the action of the Local Union, and the report of the Board shall conclude the case.

Sec. 4. All financial obligations (including but not limited to fines, assessments and unpaid dues and fees) owed by a member under the IBEW Constitution or the bylaws of this Local Union shall constitute debts owed by the member to the IBEW or the Local Union, and may be recovered through court action brought by the IBEW or the Local

Union. If it is necessary for the Local to institute legal proceedings in order to recover any such debt, the individual member shall also be liable for all costs of said proceedings, together with a reasonable attorney's fee incurred by the Local, the amount thereof to be fixed by the Court.

Sec. 5. Each member shall keep the Financial Secretary informed of his/her correct address. The Financial Secretary, in turn, shall notify the International Secretary.

Sec. 6. The parliamentary rules of this Local Union shall be those stated in Article XV of the IBEW Constitution.

Sec. 7. The IBEW Constitution is hereby made a part of these bylaws. Where there is doubt about any section of these bylaws or where such might appear to be in conflict with the IBEW Constitution, then the IBEW Constitution shall control and must be followed.

Sec. 8. Words in these bylaws in the masculine gender shall include the feminine.

Sec. 9. Members shall be supplied with copies of the IBEW Constitution, these bylaws, and the working agreement upon request to the Local Union.

Sec. 10. It shall be considered a violation of these bylaws for any IBEW member to solicit employment with any firm under agreement with the IBEW, or to commence working for such firm before having obtained a clearance from the office of the Local Union or its authorized agent except where a bargaining agreement provides otherwise.

ARTICLE XV

Amendments

Sec. 1. These bylaws shall become effective upon approval by the International President.

Sec. 2. (a) These bylaws may be amended or changed by any such proposal being submitted in writing and read at two (2) regular meetings of the Local Union, and decided at the second meeting by a majority vote of the members present and voting.

(b) However, assessments, admission fees or dues shall be changed only by a majority vote by secret ballot of the members in good standing voting at a regular or special membership meeting.

Changes shall be introduced at one Local Union meeting and acted upon at a second Local Union meeting. The proposal cannot be acted on at the time it was proposed. A written notice specifically stating the proposed assessments or changes in admission fees or dues shall be mailed to each member in good standing at the member's last known home address at least twenty (20) days prior to the Local Union meeting at which the membership is to vote on the question.

Sec. 3. No assessments, amendments or changes shall become effective until approved by the International President, in accordance with the IBEW Constitution.

IBEW LOCAL UNION #659

AGENCY FEE PAYERS OBJECTION PLAN

1. Nonmembers' Right to Object.

Any employee who is not a member of the IBEW and who pays agency fees to an IBEW local union (LU) pursuant to a collectively bargained union security provision in the United States has the right to object to expenditures of his or her fees for activities that are not reasonably related to collective bargaining. For purposes of this plan, such activities will be referred to as "nonchargeable activities." The agency fees paid by a fee payer who perfects an objection under the procedures set forth below will be reduced to reflect the expenditures of the LU and the IBEW that are used for "chargeable activities" (including, for example, negotiating and enforcing collective bargaining agreements, dealing with employers on employment-related concerns, and union administration).

2. Procedure for Filing Objections.

Each fee payer who wishes to file an objection must do so in writing, addressed to the International Secretary-Treasurer (IST) at the International Office of the IBEW, 900 Seventh Street, N.W., Washington, D.C. 20001. In registering their objections, objectors must include their name and address, the LU to which they pay fees, their nonmember identification number, if known, and their Social Security number. Objections must be postmarked during the first 30 days after an employee becomes an agency fee payer (either by being hired or transferred into the bargaining unit, or by resigning from union membership) and becomes obligated to pay agency fees to an IBEW LU under a collective bargaining agreement or, for current agency fee payers, during the month of November. (The open period may be extended in Convention years.) Objections will be effective for as long as the objector is in the bargaining unit.

3. Reduction in Agency Fees.

No later than January 31 of each year (or as soon as possible, in the case of timely mid-year objections), both the International and the LU to which the objector pays agency fees will mail to each objector who has perfected his or her objection under this plan a check reflecting the reduction in payments to which he or she is entitled for that calendar year, or will otherwise advise the objectors how their payments will be reduced for the year. Unless advised otherwise by their respective LUs, objectors will be expected to remit the full amount of fees charged by their respective LUs.

Agency fees are composed of a portion forwarded to the International as per capita payments and a portion retained by the LU. When the IST receives timely objections, he will forward the names of the objectors to the LUs to which they pay their agency fees. As set forth in greater detail below, the International will determine the percentage

reduction to be applied to the per capita portion of the objector's fees and will issue checks reflecting the reduction in per capita payments to which objectors are entitled. In addition, each IBEW LU will establish its own procedure for determining the reduction in its portion of the agency fees and for reducing the objectors' payments by the appropriate amounts.

4. Calculation of Reduction in Per Capita Payments.

Before the beginning of the calendar year, the IST will calculate the International's per capita reduction as follows: The IST will determine the International's total operating expenditures for all purposes during the preceding fiscal year, the expenditures made for activities that are chargeable to objectors, and the nonchargeable expenditures. The IST will then calculate the ratio of chargeable and nonchargeable expenditures to total expenditures. The International's

expenditures and calculations will be verified by an independent auditor.

5. Per Capita Reduction Check.

No later than January 31 (or as soon as possible after receiving a timely mid-year objection), the IST will mail each individual who has filed a timely objection a check representing the reduction in per capita payments to which he or she is entitled for the entire calendar year. The reduction checks will be accompanied by a description of the major categories of expenditures, an explanation of how the amount of the reduction was determined and an explanation of the appeal procedure.

6. Appeal to Impartial Arbitrator.

An objector who has filed a timely objection and who believes that the per capita reduction provided by the IST does not accurately reflect the International's expenditures on chargeable activities may appeal to an independent arbitrator.

a. The appeal must be made in writing and must be received in the office of the IST within 30 days of the date on which the IST mails the objector his or her per capita reduction check. The appeal should explain the basis of the challenge.

b. The impartial arbitrator will be appointed by the American Arbitration Association (AAA) through its Rules for Impartial Determination of Union Fees, issued on June 1, 1986.

c. Such appeals will be consolidated to the extent practicable and heard as soon as the AAA can schedule the arbitration. The presentation to the arbitrator will be either in writing or at a hearing, if requested by any objector(s). If a hearing is held, any objector who does not wish to attend may submit his or her views in writing by the date of the hearing. If a hearing is not requested, the arbitrator will set a date by which all written submissions must be received and will decide the case based on the records submitted. The

International will bear the burden of justifying its calculations.

d. The costs of the arbitrator's services and any proceedings before the arbitrator will be borne by the International. Individually incurred costs will be borne by the party incurring them.

e. While the appeal is pending, the IST will hold in escrow a portion of the fees paid by objectors in an amount sufficient to insure that the portion of the fee reasonably in dispute will not be expended during the appeal procedure. In the event the impartial arbitrator determines that the objectors are entitled to a greater reduction in their fee payments than that calculated by the IST, additional checks will be issued for the balance of the reduction due, as determined by the arbitrator.

7. Appeals from Local Union Fee Reductions.

An objector who has filed a timely objection and who believes that the reduction provided by the LU to which he or she pays agency fees does not accurately reflect the LU's expenditures on chargeable activities may appeal through procedures established by the LU. An objector challenging both the International's and the LU's reductions must appeal through the procedure specified in paragraph 6.a., except that the appeal must be received in the office of the IST within 30 days of (a) the date on which the International mailed the objector the per capita reduction or (b) the date on which the LU mailed its reduction, whichever is later.
